

I am writing to  
protest Sinclair  
Broadcasting's  
decision to air an  
anti-Kerry  
documentary days  
before the national  
election. Their  
license should NOT  
be renewed. The  
FCC's decision to  
allow media  
consolidation calls  
for more vigilance  
from the agency in  
order to make sure  
that the very real  
power the media  
conglomerates now  
hold is not abused.  
In the case of  
Sinclair  
Broadcasting, you  
should do your job.
